

Since September, our Faith Formation families have had the opportunity to pass a Sacred Heart of Jesus statue from family-to-family on a weekly basis. Each week one family takes the statue home and prays together each night with daily prayers to the Sacred Heart of Jesus. In the middle of each week, Fr. Tomi visits the home to bless it and pray with them. On Sunday at the end of the 9:00am Mass, families are called up to the Sanctuary, and the family who has the Sacred Heart of Jesus statue passes it on to a new family.
