

Stay Strong in the Faith....God Will Not Disappear

March 22, 2020

Msgr. Walter C. Orlowski

These are tough times for all of us. We thank God for our faith and thank God we are not alone. Our faith *is everything*. *He continues to lead us, to guide us, strengthen us, and to keep us wise in knowing what to do.* I would say to you: pray like never before.

Do what the healthcare professionals tell us. We hope you're safe and healthy. We're praying for you; pray for us.

For the next three months, all events are on hold until, June 30. The Parish Office is closed.

This weekend, Fr. Sunil and I will each say a private Mass for all of you, and for all of the intentions in our Mass book. I ask that you tune into the Bishop's live stream Mass (see below). Pray the Stations of the Cross.

Stay strong in the faith. God will not disappear. He is our Hope. He will see us through.

Peace...Msgr. Walter
