SAFE ENVIRONMENT TRAINING FOR STUDENTS

Safe Environment training provided by the Diocese of Bridgeport will continue in all of our Catholic Schools using the Think First & Stay Safe and Netsmartz workshop. Safe Environment training teaches students important safety skills to recognize and safely respond to early warning signs of unsafe situations in their environment. The Think First program is delivered by a trained facilitator in age-appropriate groups as we have done with great success since 2004.

Fall Parent Previews are facilitated to discuss the curriculum and answer questions about this important safety training that takes place annually in our Catholic Schools. Topics include but are not limited to:

- ◆ CHILD SEXUAL ABUSE PREVENTION
- ◆ TECHNOLOGY SAFETY
- ◆ CYBERBULLYING
- ◆ ABDUCTION PREVENTION
- ◆ CHILD LURES AND GROOMING BEHAVIORS
